WHERE FAMILIES THRIVE AND STUDENTS SUCCEED

A **COMMUNITY** OF PARTNERS UNLIKE
ANY OTHER. TRANSFORMING LIVES
THROUGH EQUITABLE **EDUCATION**
OPPORTUNITIES. WORKING TOGETHER IN AN
INSPIRING, STATE-OF-THE-ART **BUILDING**.

In the heart of downtown
Wilmington, Community
Education Building (CEB)
brings together schools,
families, and the community,
creating the best educational
support ecosystem possible.
Working as one, we give every
student an equitable opportunity
to succeed in school and in life.

HOLISTIC SUPPORT

Preparing students for a successful post-secondary life means connecting support systems, families, students, educators, and community in a single collaborative effort. CEB supports families and students through authentic, comprehensive collaboration across a wide-ranging network within the building and the larger Wilmington community.

SERVING WILMINGTON'S YOUTH AND FAMILIES

The CEB innovative approach focuses on the whole child and the whole family. This means providing students and their families with opportunities that their more privileged peers have, and integrating the community in everything we do. CEB is home to two charter schools serving 1,100 students and mission-aligned community organizations.

CEB's beautiful, state-of-the-art building includes a large, shared learning commons, health and wellness center, and a Family Resource Center complete with a food pantry.

CEB IS A UNIQUE EDUCATIONAL ECOSYSTEM that holistically integrates programs and resources for students and their families, ensuring that every child has an equitable opportunity to succeed.

EMPOWERING SCHOOLS TO FOCUS ON EDUCATION

Barriers to equitable education impact our whole community and can't be solved in a classroom alone. Through collaborative relationships that connect our schools with a network of partners, we overcome systemic barriers that hold back our most vulnerable children.

CEB provides programs and support systems designed to holistically support the whole family, not just the student. We provide operational services such as child nutrition, building management, and security that allow our school partners to focus on teaching and learning and to deliver the highest-quality education.

EMPOWERING ORGANIZATIONS TO ACHIEVE THEIR MISSION

CEB tenants have more than just office space. Organizations at CEB are part of an ecosystem of programs and services.

Mission-driven organizations deserve access to conveniently located, secure, facilities without taking away from their program budget. CEB empowers organizations to focus on delivering their missions in an affordable, state-of-the-art building in the heart of Wilmington.
