

CEB Wellness Center

For All Your Family Healthcare Needs
Under One Roof

The CEB Wellness Center provides access to all the health care your family needs, under one roof. Through collaborative partnerships, we provide access to physical, mental, and behavioral preventative and acute care for students and families at CEB.

School Nursing Hub

Care Available For:

- Kuumba Academy Students
- Great Oaks Charter Students

Our School Nursing Hub includes a collaborative team of Kuumba Academy, Great Oaks, and CEB medical professionals who all work together to care for our students.

Mental & Behavioral Health

Care Available For:

- All CEB Community Students
- All CEB Community Caregivers

In addition to services provided by school counselors, CEB's Team includes Behavioral Health Counselors through the CEB Family Resource Center licensed to work with children and adults.

School-Based Health Center

Care Available For:

- Kuumba Academy Students

The Kuumba Academy School-Based Health Center at CEB will provide comprehensive medical and behavioral health care and health education to promote healthy lifestyles.

COVID-19 Care Hub

Care Available For:

- Kuumba Academy Students & Staff
- Great Oaks Charter Students & Staff
- CEB Staff

In partnership with Quidel testing, our collaborative Nursing Team provides routine COVID-19 testing for all adults and children in Kuumba Academy, Great Oaks, and CEB.

Health Education

Care Available For:

- Students & Caregivers at Kuumba Academy
- All CEB Community Caregivers

Health Education is available through programming such as Kuumba Parent Camp, CEB Families Achieving More, and programs provided by ChristianaCare.

HEALTH for All Community Health

Care Available For:

- All CEB Community Students
- All CEB Community Caregivers

HEALTH for All is a collaborative initiative to address social determinants of health while providing nursing students learning opportunities. Free services include dental, physicals, screenings, behavioral health services, physical therapy, and prescriptions.
