

High School Student Advocacy College & Career Tour

The Junior and Seniors at Great Oaks Charter enjoyed multiple college and career trips last month including visits to:

- University of the Arts
- Paul Mitchell Beauty School
- Lincoln University
- Dawn Career Institute
- Food Bank of Delaware

Students enjoyed seeing campuses, eating lunch among college students, learning about certification programs, and more!

“I didn't have a clear view of what I wanted to do after graduation but the trips we went on helped slim down some things and made clear of what I like to do. The art school we visited was by far my favorite trip. I applied, had a meeting with the director of the photography program and I may have a good chance in getting in!”

- Kamryn Wilkerson (Senior)

"Going to these trips help me figure out other options that I might be interested in after high school. I enjoyed the trips, in my opinion Lincoln University spoke on the different options that had somewhat to do my field of future study.

My major is computer science. And in that field for these options I could develop websites and create applications for these companies."

-Jose Mercado Jr. (Senior)

"I liked Lincoln, Philly Arts and the Food Bank trips. I didn't go on the other two but my experience was great I like everything about it and I wouldn't mind looking into Philly Arts School further because they have what I want there which is performing arts."

-Nevaeh Cannon (Junior)
